Southwest Contract is a well respected leader in the college and university residence hall furniture market. For more than 35 years, Southwest Contract has designed, developed, and marketed quality products.

Southwest Contract believes in the “creation of an environment” within student housing – taking great pride in creating room environments that offer the students an opportunity for flexibility, versatility, space saving, and safety, in a home-like atmosphere. The goal of every project is always to meet the desires and requirements of the students while delivering top quality products and service, at an exceptional value, within budget, and on time.

Our mission is to provide an uncompromised commitment to customer service, design integrity and manufacturing excellence. We provide financial support for research, education, and scholarships for ACUHO-I that is unmatched in the market.

Our goal on every project is to create an environment that provides the best:

*Value • Flexibility • Student Function & Use • Service
Balance of Durability & Appearance • Cost Effective Maintenance*
